Fennell, Yoxthimer and Associates' VIP Membership is a dental health membership and is not dental insurance. It is not transferable to other offices. VIP Memberships are only available to patients who do not have existing dental insurance and cannot be used in combination with insurance, Care Credit or any other dental discount plan.

All services covered by the VIP Membership must be completed within the same 1-year period. There will be no refunds provided for dues paid or unused services.

It is solely the patient's responsibility to schedule and keep appointments. Please notify our office at least 24 hours in advance if you need to change a scheduled appointment, and be aware that we cannot guarantee specific appointment availability when a previously scheduled appointment is canceled.

Fees for dental services may change at any time.
